

Road Maintenance Worker I or II

The Pershing County Road Department is accepting applications for a Road Maintenance Worker I or II depending on qualifications. Duties for this position will include but are not limited to: driving tractor-trailers (belly dump, tankers and transports), dump trucks, road graders, loaders, backhoes, dozers, rollers, sweepers, snowplows and sanders. Other duties may include pothole patching, crack sealing, cleaning and repair of culverts, installation and maintenance of traffic control equipment, routine maintenance, a use of hand tools and the completion of support documentation.

Strength, stamina and dexterity to sit in vehicles operating on rough roads and rough surfaces for brief periods each day with brief breaks; walk on uneven or slippery surfaces for brief periods, perform repetitive motions including use of controls such as shovels and picks, perform repetitive motions including use of controls with hands and feet, climb up steps and ladders to enter and inspect vehicles, reach to adjust and make minor repairs on equipment; use of both legs to operate controls on equipment; strength to occasionally lift and carry containers and parts for equipment weighing excess of 50 pounds; visual acuity sufficient to operate equipment in a variety of lighting conditions, including bright light, low light and low visibility conditions; depth perception sufficient to maneuver equipment and to determine position of equipment components; ability to hear changes in operation of motors and other equipment. Ability to work in extreme weather conditions including heat, rain, snow, cold, wind, dust vibration and noise; and the ability to work independently in isolated geographic areas.

Level I position requires one year of experience performing road construction work or similar work that includes operation of equipment of the type used by Pershing County. The necessary experience can be gained through training and education as well as experience. Applicants must possess a Commercial Driver's License (CDL) or have the ability to acquire one within six months of employment. This position is based out of the Lovelock Nevada Road Shop and will cover all of Pershing County.

Applications may be obtained on the county website pershingcounty.net or from the Pershing County Road Department. Applications will be accepted until the position is filled. If you recently applied for a different position and are interested in this Level I or II Road Maintenance Worker Position, you MUST submit a new application. Contact the Road Department at (775) 273-7334 for further information.

Pershing County is an equal opportunity employer.
